

## Lost/Stolen/Destroyed Concealed Carry License – No More Notarized Paper Affidavit

“430 ILCS 66/55”

- (b) A licensee shall notify the Department within 10 days of discovering that a license has been lost, destroyed, or stolen. A lost, destroyed, or stolen license is invalid. To request a replacement license, the licensee shall submit:
  - (1) a ~~notarized statement~~ written or electronic acknowledgment that the licensee no longer possesses the license, and that it was lost, destroyed, or stolen;
  - (2) if applicable, a copy of a police report stating that the license was stolen; and
  - (3) the requisite fee.

Since the inception of the Illinois Concealed Carry License (CCL), reporting a license lost, stolen or destroyed and requesting a replacement required the submission of a notarized affidavit attesting that the CCL was, in fact, no longer in the possession of the licensee. On web applications, this will now be an attestation built into the application process. For applicants utilizing the alternate call-in method to order a replacement, a paper affidavit will continue to be sent. However, this affidavit will no longer be required to be notarized.
